Mainstream media and local media DID report on this tragic incident at the time (2019) https://abcnews.com/US/firefighter-shot-killed-responding-medical-call-wisconsin/story?id=63071379 https://www.nbcnews.com/news/us-news/wisconsin-firefighter-responding-medical-call-shot-killed-police-officer-injured-n1006321 https://www.wisn.com/article/wisconsin-man-free-on-500-bail-fatally-shot-appleton-firefighter-in-2019/39694208	Rescued	70	Ice Trump / Biden Project / Border Illegal	0.500
False. The police visited the house because the girl is accused of creating a fake profile using someone else's name, and sending indecent and defamatory messages in his name. "Viewing a post on social media" was never the charge. https://www.westmidlands.police.uk/news/west-midlands/news/news/2025/september/disinformation-circulating-around-walsall-investigation-into-indecent-messages/	Rescued	60	Ice Trump / Biden Project / Border Illegal	0.500
The claim that calling Trump a convicted felon is defamatory is false. When an assertion is true, it is not defamatory. Trump has been found guilty by a jury in a court of law. That makes him a convicted felon. https://www.nycourts.gov/LegacyPDFS/press/PDFs/Trump-Verdict-Sheet.pdf https://dictionary.cambridge.org/us/dictionary/english/defamation https://dictionary.cambridge.org/us/dictionary/english/convicted	Rescued	65	Ice Trump / Biden Project / Border Illegal	0.500
5000/day. NBC buries this fact at the end of their article: “They crafted the legislation to give DHS the authority to close the border if they reached a seven-day average of 4,000 or more border encounters. A seven-day average of 5,000 or more would mandate a border closure.” https://www.nbcnews.com/politics/immigration/does-new-immigration-bill-5000-illegal-border-crossings-per-day-rcna136656	Rescued	55	Ice Trump / Biden Project / Border Illegal	0.500
This was 2022. OP misleads, alludes to racial profiling w/o context. Black pregnant teller mistook as robbery, called cops when Ryan Coogler’s acct flagged for \$10K+, w/face covered by hat,sunglasses,covid mask and note to “be discreet”. Bank apologized, Coogler accepted. https://www.atlantaneWSfirst.com/2022/03/09/black-panther-director-falsely-accused-robbing-atlanta-bank-arrested-while-attempting-account-withdrawal/ https://www.soapcentral.com/shows/why-bank-america-get-black-panther-director-ryan-coogler- ... Nobel Peace Prize medals may change owners but the laureate title cannot be transferred; Donald Trump has not received the Nobel Peace Prize. https://x.com/nobelpeaceoslo/status/2011755241172275282 https://www.nobelprize.org/prizes/lists/all-nobel-peace-prizes/	Rescued	65	Ice Trump / Biden Project / Border Illegal	0.501
There is little to no evidence that people are being radicalized through online gaming. This is simply a push for further surveillance of the public, disguised as a good will gesture to combat extremism. People primarily play video games to simply relax and have fun. https://www.theesa.com/news/nearly-all-americans-now-view-video-game-play-as-beneficial-following-covid-19-lockdowns/	Opinion / personal	n/a	Tesla Fsd / Game Games / Iphone Apple	0.945
The suspect in the said post was not causing disturbance but rather was advocating for her rights. She went to a government office to raise concern over lack of proper services. It is sad to see The DCI which should rather protect Kenyans is being used to terrorise them. https://x.com/citizentvkenya/status/1879504245826711620	Opinion / personal	n/a	Ice Trump / Biden Project / Border Illegal	1.000

This person is literally engagement farming - same question has been asked on Quora a while back: https://www.quora.com/My-landlord-gave-me-a-60-day-eviction-notice-because-she-wants-to-move-her-family-into-my-house-Can-I-fight-this-in-court OP refuses to answer to specific questions in comments (e.g. what his lease period was/is), probably because he doesn't know - that's why context is needed.
