Claim stems from a fabricated image of a Trump post; the White House confirmed no such statement was made. On Oct 25, an official presidential message congratulated the Dodgers and Blue Jays, not a snub. https://globalnews.ca/news/11460122/fact-file-trump-post-on-blue-jays-is-a-fake/ https://www.whitehouse.gov/briefings-statements/2025/10/presidential-message-on-the-2025-world-series/	Rescued	85	Ice Trump / Biden Project / Border Illegal	0.814
There is no evidence that Covid-19 mRNA vaccines cause leukemia - people with leukemia died more from covid and there were theoretical links proposed in 2020, but no evidence found. The AHA recommends leukemia patients get vaccinated.
